

Adamelli Rajababu

Aspiring Software Engineer | Full Stack Developer
+91 9182862066 | adamellirajababu@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Professional Summary

B.Tech Information Technology student specializing in Artificial Intelligence, Cloud Computing, and Full Stack Development. Practical experience in developing high-performance REST APIs with FastAPI/Python, modern web interfaces, and cloud architectures. A fast learner with strong analytical skills, adaptability, and a proactive engineering approach.

Technical Skills

Languages: Python, Java, JavaScript, SQL

Frontend Technologies: HTML5, CSS3, Responsive Web Design, Vanilla JavaScript

Backend & APIs: FastAPI, RESTful APIs, Uvicorn

Cloud & Databases: Microsoft Azure (AZ-900, AI-900), MySQL, Relational Database Design

Developer Tools: Git, GitHub, VS Code, Postman

Technical Interests: Machine Learning, AI Automation, Cloud Architecture, Prompt Engineering

Projects

AI Resume Intelligence System | *Python, Flask, AI, Resume Analysis, Job Matching*

[GitHub](#) | [Live Demo](#)

- Developed a career platform to address resume optimization and job-matching challenges through resume parsing, ATS scoring, and skill-gap evaluation.
- Built REST APIs for document processing, compatibility scoring, PDF generation, and AI-assisted candidate guidance.

Brightness Control Using Hand Gestures | *Python, OpenCV, Computer Vision*

[GitHub](#) | [Live Demo](#)

- Developed a hands-free screen brightness control application utilizing real-time computer vision as an intuitive alternative to manual adjustment.
- Implemented hand-landmark detection, gesture tracking, and distance-based brightness modulation using Python, OpenCV, and webcam feed.

Education

Andhra Loyola Institute of Engineering & Technology

Vijayawada, AP

B.Tech in Information Technology; CGPA: 7.5

2024 – 2027

Sir C. Ramalinga Reddy Polytechnic

Eluru, AP

Diploma in Electronics & Communication Engineering (ECE); Score: 80%

2021 – 2024

Sree Sree Educational Society

Eluru, AP

Secondary School Certificate (SSC); GPA: 10.0

Completed 2021

Certifications

Microsoft Certified: Azure Fundamentals (AZ-900)

Microsoft Certified: Azure AI Fundamentals (AI-900)

Microsoft: Azure SQL Fundamentals

Artificial Intelligence & Machine Learning Specialization

Full Stack Web Development Certification

Python Programming Masterclass

Additional Information

Languages: English, Telugu, Hindi
